United States District Court Judge
Southern District of New York

United States vs. Rindon Kola , 23 Cr. 193
(CS)

Conference to be held on 4/9/25 at 2:15 pm.

SO ORDERED.

CATHY SEIBEL, U.S.D.J.

3/20/25

Dear Judge Seibel-

I write to request a conference in this matter to discuss how the parties propose to proceed considering the January 30, 2025, findings and conclusions of the evaluation of Mr. Kola by FMC Devins made pursuant to your Order dated January 9, 2024, and pursuant to the provisions of Title 18, United States Code, Section 4241 (d). Specifically, the medical finding that, "While it is theoretically possible Mr. Kola could be restored to competency if he takes appropriate antipsychotic medication for a long enough period of time, in light of his poor response to date it is unlikely psychotropic medication would help him to become competent in the foreseeable future," requires counsel and the Court to chart a path forward.

Very truly yours,

s/

James Roth
